

Registration for GVRHA Shows

The committee have made the decision to utilise a show secretary system developed by Carolyn Peters to streamline our event management and your registration. There are two possible login options depending upon whether you are an existing member of SCRHA or have already shown at a VRHA, NSWRA or SCRHA event or about to make your first entries. Either way you commence at www.scrha.com.au

1) Existing SCRHA member from the home page login as member

The Southern Cross Reining Horse Association is a non-profit association dedicated to promoting and encouraging the development of and public interest in the sport of reining.

When you login there will be Events & Entries with different events shown in a red banner for you to select -in our case we hope you select a GVHRA event

The profile will ask for your email, a password, name, address, contact number, date of birth and NRHA Membership number (note : ability to upload a copy of your current NRHA Membership card.

3) Registration for an Event

The great news is that your details will pre-populate into the registration and save you time each time your nominate for an event.

You make the nominations and it will calculate your entry fee and allow you to make payment with Paypal.

All the best and we look forward to seeing you at our first show.
